## Introduction from the Morecambe Bay Golf Festival Committee

May I take this opportunity to welcome everyone and hope you have an enjoyable visit.

This is our 25th anniversary running of the festival, even through covid we managed to keep going.

I would like to give a special welcome to the few players who have been coming since day one.

Looking forward to the next 25 years.

The tournament will be played in the Morecambe Bay area on three different courses, over five consecutive days commencing in September each year.

Players can enter as a pair or as a fourball.

Booking tee times for next year's festival can be done via our festival team during the festival week. Later in the year you will be able to book online via IG and BRS through our club websites.

Our three clubs , Silverdale, Morecambe and Heysham are ready to give you a fabulous golf experience throughout the festival week.

All you have to do is enjoy it.

The booking form for 2026 is in the brochure and the sooner you book the more tee times will be available.

No payment is required at this stage, we will invoice you next year.

**Tony Wilkinson**

On behalf of the Festival Team.

## Morecambe Golf Club

*“We never realised that this gem of a course existed”*

Although situated on the coast, Morecambe Golf Club is a parkland style layout with magnificent views over Morecambe Bay and beyond to the Lakeland Hills. The course is located a mere 10 minutes away from the M6 motorway, allowing easy access to our renowned golf course.

Morecambe Golf Club has a vibrant membership through all categories with vast practice facilities including a dedicated short game area, driving range and two putting greens; one combined for pitching.

The course might not be long, but it is tricky, expertly designed by the renowned Alister Mackenzie, most famous as the architect of Augusta National, home of the U.S. Masters. His trademark greens are to be seen everywhere as are the subtle curves of the fairways and the strategically placed bunkers.

The course drains very well and is open all year round. It is not often that the club has to revert to either temporary tees or greens, so if you are seeking some challenging golf all year round then Morecambe must be the course.

Morecambe Golf Club has long prided itself on the warmth of its welcome. Visitors can enjoy the most convivial of surroundings before and after playing one of the North West most challenging courses. During the summer months probably the most popular location for members and visitors is our purpose built veranda. With magnificent views of the course and the surrounding fells this is the perfect spot to enjoy a drink or bar snack whilst analysing or contemplating your round. Morecambe makes no distinction between members and visitors in its bar pricing policy, the same low prices are available to both.

For more information, directions, to make a booking, or to see what you have been missing, visit our website: [www.morecambegolfclub.com](http://www.morecambegolfclub.com) or contact the office on 01524 412841- option 2.

Lying in the heart of the Arnside and Silverdale AONB, Lancashire, and adjacent to the Leighton Moss RSPB Reserve, Silverdale Golf Club is set in a stunning location and has fabulous views over the surrounding countryside, across Morecambe Bay and towards the Cumbrian Howgill Fells.

The surrounding scenery may be breathtaking, but the course is special too. Whilst there are opportunities for birdies there are also challenging holes, and this is why the course appeals to golfers of all ages and abilities.

We are known as the “friendly” club and welcome all visitors parties, young and old, to come and enjoy a round of golf at our wonderful club.

We are indebted to our ground staff who maintain the course in excellent condition throughout the year. During the winter months in particular, we get many visitors as we run monthly opens throughout the winter.
